

**Directions to CalARVC office:**

Hwy 80 to the Maple Street/Old Town exit. Take a left back over the freeway to the "T." Make a left at the T (Placer Street) down the hill to the stop sign. Turn right on Nevada Street. Go through one stop light (Fulweiler). Go about 100 yards, turn left into our driveway which is immediately past the parking lot for the Auburn Hardwoods warehouse (large mustard colored building).

Our offices face Nevada Street, but there is a vacant lot between our building and the road. When coming down the driveway we are at the end of the first building you see.
