

# CalARVC Legislative & Regulatory Successes!

## **Laws and regulations successfully passed**

- Legalizing of electrical metering in RV parks
- Separation of RV park regulations from MH park regulations
- 24-Hour Eviction Law
- Imminent Danger Removal Law
- Time-Stay Exemption Law
- 72-Hour Eviction Laws (two of them)
- Legalization of camping cabins and park trailers
- Minimized RV park liability in clean-up of onsite meth labs

## **Laws and regulations assisted in passing**

- RV-friendly highway signage
- Safe occupancy of pick-up campers
- Office of Tourism funding – annually throughout the years
- Establishment of the California Travel & Tourism Commission (CTTC)
- Rental car assessment pass-through allowing for significant increase in CTTC funding
- NFPA guidelines for daily water use of RVs
- Legalization of 40' plus RVs

## **Prevented/assisted laws and regulations from passing**

- Coastal zone time-stay limitations
- Rewrite of RV park regulations to accommodate special interests
- Requirement of RV park operators to participate in 3-5 hours of training annually
- Training certification for swimming pool operators
- NFPA guidelines preventing RV park construction in flood plains

## **Other actions undertaken without success**

- Requirement for state parks to adhere to same RV park/campground regulations
- Banning of free camping on the Orick spit (eventually was banned by Nat'l Forest Service)
- Banning of chemical-based RV holding tank products

## **Assistance of RV parks & campgrounds with local problems**

- Santa Cruz & Riverside counties imposing regulations stricter than the state
- Vineyard RV Park expansion with Solano county
- Imperial county incorrectly imposing TOT on RV parks
- Prevented White Rock Resort closure by interceding with HCD
- San Diego county's limit on time stay
- Limitations on campfires in Mendocino county
- TOT prevention strategies in Tuolumne, Amador, Mendocino and other jurisdictions.

## **Assistance with regulatory/legal compliance**

- Emergency Preparedness Plan template
- Injury, Illness & Prevention Plan template
- Practical Guide to the Removal & Eviction Process
- Removal & Eviction forms
- Occupant Removal, HCD & Prop 65 required signage
- Making Workampers legal
- "Did You Know" articles
- Workers' Comp requirements & ratings
- ADA parking & service animals
- ADA pool accessibility
- ADA building accessibility
- Lien sale guidance for abandoned vehicles

***And last but not least: Sponsorship of REC PAC which contributes funds to business-friendly candidates***
